Student Material

A greeting is a way to share a polite welcome.
Turn to the person next to you and say "hello."
This is a greeting.

Do you greet all individuals the same way?
How do people around the world greet one another?

A *greeting card* is a kind way to say hello,
express feelings, or celebrate an occasion.
A greeting card is a nice way to make someone smile.
It shows thoughtfulness and care, which are beautiful gifts.

Think of someone who would love to receive a greeting card.
Write that person a special message in the card to show that you care.
Then, we will send the greeting card in the mail and make people smile!
